

Biography Project

BMA-IBT-3 Master word processing software to create, edit, and publish professional appearing business documents.

Directions: Using the Biography.com website, research your favorite actor actress, entertainer, or professional athlete. Answer the questions listed below. Then create a flyer about that person using Microsoft Word or Publisher. If your person can't be found at www.biography.com- you must get approval from your teacher to use the website where you found your information.
