

Post Secondary Options Research Worksheet

Research a post-secondary institution that offers an education in the field that you want to work in your future. You can choose—4 year college, 2 year college, or technical school for your education beyond high school. You will record specific information about the school you are considering.

We will aim not to have duplicate colleges for this project. Students should sign up with the teacher for the institution of choice.

Research and find the following information. Remember to cite your sources for documentation of copyright. The following websites may be helpful to you:
